STANDARD &POOR'S

Standard & Poor's Ratings Services Terms and Conditions Applicable To U.S. Public Finance Ratings

Request for a rating. Standard & Poor's issues public finance ratings for a fee upon request from an issuer, or from an underwriter, financial advisor, investor, insurance company, or other entity, provided that the obligor and issuer (if different from the obligor) each has knowledge of the request. The term "issuer/obligor" in these Terms and Conditions means the issuer and the obligor if the obligor is different from the issuer.

Agreement to Accept Terms and Conditions. Standard & Poor's assigns Public Finance ratings subject to the terms and conditions stated herein and in the rating letter. The issuer/obligor's use of a Standard & Poor's public finance rating constitutes agreement to comply in all respects with the terms and conditions contained herein and in the rating letter and acknowledges the issuer/obligor's understanding of the scope and limitations of the Standard & Poor's rating as stated herein and in the rating letter.

Fees and expenses. In consideration of our analytic review and issuance of the rating, the issuer/obligor agrees to pay Standard & Poor's a rating fee. Payment of the fee is not conditioned on Standard & Poor's issuance of any particular rating. In most cases an annual surveillance fee will be charged for so long as we maintain the rating. The issuer/obligor will reimburse Standard & Poor's for reasonable travel and legal expenses if such expenses are not included in the fee. Should the rating not be issued, the issuer/obligor agrees to compensate Standard & Poor's based on the time, effort, and charges incurred through the date upon which it is determined that the rating will not be issued.

Scope of Rating. The issuer/obligor understands and agrees that (i) an issuer rating reflects Standard & Poor's current opinion of the issuer/obligor's overall financial capacity to pay its financial obligations as they come due, (ii) an issue rating reflects Standard & Poor's current opinion of the likelihood that the issuer/obligor will make payments of principal and interest on a timely basis in accordance with the terms of the obligation, (iii) a rating is an opinion and is not a verifiable statement of fact, (iv) ratings are based on information supplied to Standard & Poor's by the issuer/obligor or by its agents and upon other information obtained by Standard & Poor's from other sources it considers reliable, (v) Standard & Poor's does not perform an audit in connection with any rating and a rating does not represent an audit by Standard & Poor's, (vi) Standard & Poor's relies on the issuer/obligor, its accountants, counsel, and other experts for the accuracy and completeness of the information submitted in connection with the rating and surveillance process, (vii) Standard & Poor's undertakes no duty of due diligence or independent verification of any information, (viii) Standard & Poor's does not and cannot guarantee the accuracy, completeness, or timeliness of the information relied on in connection with a rating or the results obtained from the use of such information, (ix) Standard & Poor's may raise, lower, suspend, place on CreditWatch, or withdraw a rating at any time, in Standard & Poor's sole discretion, and (x) a rating is not a "market" rating nor a recommendation to buy, hold, or sell any financial obligation.

Publication. Standard & Poor's reserves the right to publish, disseminate, or license others to publish or disseminate the rating and the rationale for the rating unless the issuer/obligor specifically requests that the rating be assigned and maintained on a confidential basis. If a confidential rating subsequently becomes public through disclosure by the issuer/obligor or a third party other than Standard & Poor's, Standard & Poor's reserves the right to publish it. Standard & Poor's may publish explanations of Standard & Poor's ratings criteria from time to time and nothing in this Agreement shall be construed as limiting Standard & Poor's ability to modify or refine Standard & Poor's criteria at any time as Standard & Poor's deems appropriate.

Information to be Provided by the Issuer/obligor. The issuer/obligor shall meet with Standard & Poor's for an analytic review at any reasonable time Standard & Poor's requests. The issuer/obligor also agrees to provide Standard & Poor's promptly with all information relevant to the rating and surveillance of the rating including information on material changes to information previously supplied to Standard & Poor's. The rating may be affected by Standard & Poor's opinion of the accuracy, completeness, timeliness, and reliability of information received from the issuer/obligor or its agents. Standard & Poor's undertakes no duty of due diligence or independent verification of
